

SATISFACTORY/UNSATISFACTORY OPTION FORM

Students may take elective offerings on a Satisfactory/Unsatisfactory (S/U) basis. See *Academic Rules IV.B.(3)*. Upon successful completion of such offering, the student shall receive a grade of (S) Satisfactory. In the event that an offering is not successfully completed (**achieved grade below C minus**), the final grade shall be (U) Unsatisfactory.

Correlation of S/U with letter grades. A Satisfactory grade shall carry no numerical equivalent and will not be counted in computing a student's grade point average for purposes of eligibility for continuing as a degree candidate or qualifying for a degree. An Unsatisfactory equates to a grade of (F), carries the numerical equivalent of zero, and shall be counted in computing a student's grade point average for purposes of eligibility for continuing as a degree candidate or qualifying for a degree.

Exercise of S/U Option. Students must exercise their options to take a course(s) on an S/U basis no later than two days after the add/drop date for the current term enrolled. You may not withdraw an S/U submission after the final submission date for the current term.

S/U Grading where letter grades are not feasible. Instructors may determine that letter-grades are not feasible. Students' work will then be graded as Satisfactory or Unsatisfactory, or, at the instructor's discretion, as Satisfactory (S), Unsatisfactory (U), or Outstanding (O). **NOTE: It will not be noted on the transcript which courses were offered on an S/U/O basis, an S/U basis or if students exercised their option to take a course S/U.**

UNH Student ID # ____9_____ Semester_____ Year_____

STUDENT Name: _____.

Courses you wish to include in the S/U Option:

1) _____

2) _____

3) _____

Student Signature: _____ Date: _____
