

Zoom- CLE: VIRTUAL CIVIL LITIGATION
Friday, October 1, 2021
1:00 – 3:00 PM ET

CLE: A perspective on virtual litigation

Presented by Justice Jacqueline Colburn '96, Attorney Holly Haines '00, Attorney Chris Woods '77, Professor Emeritus John Garvey

The use of technology in dispute resolution is not new. The pandemic has transformed how we interact with the court and each other. What began as emergency measures have morphed into the new normal. Join us for a perspective on the use and future of virtual civil litigation. Topics will include:

- Perspective on the use of Civil Litigation in the NH Courts.
- The future of virtual alternative dispute resolution.
- Perspectives on trial and pre-trial procedures.
- How to best prepare for remote depositions.

We believe that this CLE meets the requirements for credit in New Hampshire. Due to the complexities in reporting, you will need to check your local requirements for out-of-state credit. Attendance will be taken for those who wish to receive a participation certificate at the conclusion of the presentation.

Due to UNH COVID-19 policies, we are strongly encouraging remote participation. If online attendance is not possible, please contact Alumni Event Coordinator Jess Place jess.place@law.unh.edu and alternate arrangements can be made. All registrants will receive connection information for all CLE Zooms prior to October 1.

ZOOM- CLE IP Event: OPEN-SOURCE ISSUES
Friday, October 1, 2021
3:30 – 5:00PM ET

CLE IP EVENT: Managing Open Source to Maximize Opportunity and Minimize Risk

Moderated by **Professor Micky Minhas**, Executive Director of Franklin Pierce Center for Intellectual Property; and presented by **Attorney Mary Lou Wakimura Knowles '86**, Principal Hamilton Brook Smith Reynolds; **Attorney Matt Jacobs '96**, Director, Legal Counsel at Synopsys, Inc.; & **Attorney Giovanna Fessenden**, Counsel, Hamilton Brook Smith Reynolds.

Most companies use open-source software because it accelerates time to market, reduces development costs, and frees up developer resources. However, if open source is left unmanaged, it may pose serious legal, security and operations risk to businesses.

Topics to be covered:

- The types of open-source licenses and their implications
- The latest in open-source trends
- Why security is a risk for open source
- How open-source impacts transactions and agreements
- Strategies for managing open-source risks.

We believe that this CLE meets the requirements for credit in New Hampshire. Due to the complexities in reporting, you will need to check your local requirements for out-of-state credit. Attendance will be taken for those who wish to receive a participation certificate at the conclusion of the presentation.
